

Great Elm Capital Corp. Announces Its Intention to Commence a Tender Offer to Purchase up to \$10 Million of its Common Stock

March 30, 2017

BOSTON, March 29, 2017 (GLOBE NEWSWIRE) -- Great Elm Capital Corp. (the "Company" or "GECC"), (NASDAQ: [GECC](#)), today announced its intention to commence a modified "Dutch auction" self-tender offer to purchase up to \$10,000,000 in cash of its common stock, at a price per share within the range of \$11.50 to \$12.17, less applicable withholding taxes and without interest (the "tender offer"). The tender offer is expected to commence on or about April 3, 2017. The Nasdaq closing price of GECC's common stock on March 29, 2017 was \$11.02 per share.

This announcement does not contain the full terms and conditions of the tender offer, which will be set forth in an Offer to Purchase, Letter of Transmittal and related documentation that will be distributed to holders of the Company's shares and filed with the U.S. Securities and Exchange Commission (the "SEC").

The tender offer is expected to expire May 5, 2017, at 5:00 p.m., New York City time, unless the tender offer is extended or withdrawn by the Company. Tenders of shares must be made prior to the expiration of the tender offer and may be withdrawn at any time prior to the expiration of the tender offer, in each case in accordance with the procedures to be described in the tender offer materials that will be distributed to GECC stockholders. Tendering stockholders will receive distributions with respect to tendered shares where the record date is before the expiration date.

The Company believes that a modified "Dutch auction" tender offer mechanism is a prudent use of the Company's financial resources and an efficient way to return capital to stockholders who wish to receive cash for all or a portion of their shares.

A modified "Dutch auction" self-tender offer allows stockholders to tender their shares pursuant to (i) "auction tenders," whereby stockholders indicate at what price within the Company's specified range (in increments of \$0.11 per share) they wish to tender or (ii) "purchase price tenders," whereby stockholders indicate they are willing to sell their shares to the Company at the purchase price determined in the tender offer. When the tender offer expires, the Company will determine the purchase price, which will be the lowest price per share within the Company's specified range that will enable the Company to purchase the maximum number of shares properly tendered in the tender offer and not properly withdrawn having an aggregate purchase price not exceeding \$10,000,000 (or, if the tender offer is not fully subscribed, all shares properly tendered in the tender offer and not properly withdrawn up to \$10,000,000), taking into account the number of shares tendered pursuant to auction tenders and purchase price tenders and the prices specified by stockholders tendering shares pursuant to auction tenders.

Any shares accepted for payment in the tender offer will be purchased at the same purchase price, regardless of whether they were tendered at a lower price. Upon the terms and subject to the conditions of the tender offer, stockholders will receive the purchase price in cash, less any applicable withholding taxes and without interest, for shares properly tendered (and not properly withdrawn) at prices equal to or less than the purchase price. If shares are tendered at prices at or below the purchase price with an aggregate purchase price of more than \$10,000,000, tendering stockholders whose shares are tendered at or below the purchase price owning fewer than 100 shares, or "odd lot" holders, will have their shares purchased without proration and all other tendered shares will be purchased on a pro rata basis, subject to the conditional tender provisions which will be described in the Offer to Purchase. Stockholders whose shares are purchased in the tender offer will be paid the purchase price net in cash, less applicable withholding taxes and without interest, promptly after the expiration of the tender offer. All shares tendered at prices above the purchase price will not be purchased and will be returned promptly after the expiration of the tender offer to the tendering stockholders. The Company also reserves the right to purchase up to an additional 2% of its shares outstanding pursuant to and without amending or extending the tender offer.

The Company intends to use a portion of its cash and cash equivalents on hand to fund the buyback of shares in the tender offer. The tender offer will not be conditioned upon obtaining financing or any minimum number of shares being tendered; however, the tender offer will be subject to a number of other terms and conditions, which will be specified in the Offer to Purchase.

The Company's directors and executive officers have informed the Company of their intention not to tender any shares in the tender offer.

Janney Montgomery Scott LLC (the "Dealer Manager") will serve as dealer manager for the tender offer. MacKenzie Partners, Inc. (the "Information Agent") will serve as information agent for the tender offer and American Stock Transfer & Trust Company, LLC (the "Depository") will serve as depository for the tender offer. For more information about the tender offer, please contact MacKenzie Partners, Inc. at +1 (800) 322-2885 (toll-free).

While the Company's board of directors authorized the tender offer, it has not made and will not be making, and none of the Company, the Company's principals, affiliates or subsidiaries, the Dealer Manager, the Information Agent or the Depository have made, is making or will be making, any recommendation to the Company's stockholders as to whether to tender or refrain from tendering their shares or as to the price or prices at which stockholders may choose to tender their shares. The Company has not authorized any person to make any such recommendation. Stockholders must make their own decision as to whether to tender their shares and, if so, how many shares to tender and the price or prices at which to tender them. Stockholders are urged to carefully evaluate all of the information in the Offer to Purchase, Letter of Transmittal and related documentation, when available, and to discuss their decision with their tax advisors, financial advisors and/or brokers.

The anticipated tender offer described in this press release has not yet commenced, and while the Company intends to commence the tender offer as soon as reasonably practicable and complete the tender offer, there can be no assurance that the Company will commence or complete the tender offer on the terms described in this press release, or at all.
