GECC PROFILE

Great Elm Capital Corp. (NASDAQ: GECC) is an externally-managed business development company focused on investing in the debt instruments of middle market companies. GECC has elected to be regulated as a business development company (“BDC”) under the Investment Company Act of 1940, as amended. GECC is externally managed by Great Elm Capital Management, Inc. (“GECM”), a wholly-owned subsidiary of Great Elm Capital Group, Inc. (NASDAQ: GEC).

GECC’s investment objective is to generate total returns through the combination of current income and capital appreciation, while seeking to protect against risk of permanent capital loss. GECC invests predominantly in the senior secured debt of companies with enterprise values between \$100 million and \$2 billion. GECC typically purchases such securities in the secondary market with a focus on catalyst-driven, total-return investment opportunities.
